

**2014-15**  
**Access Digits on-line**

1. Login to Parent Portal
  - a. <https://fortmill.powerschool.com/public/home.html>
  - b. The login information is the same as the student's google doc account
2. On the left hand side, Click on **Pearson Courses**
  - a. A new window will appear with the student's schedule
3. On the right hand side, click on **SuccessNet Plus**
  - a. This should take you directly to the Digits web site like last year.
  - b. On occasion a few students will click on the **SuccessNet Plus** link and a password window will appear just look for the Green and Blue interlocking ovals on the bottom left and click it. This will link everything together and you should not see it when you login in the future.
4. You should receive a welcome window- feel free to go through these options. If you do not wish to see these options every time you login, Click the box on the bottom left corner that states " Do not show this again"
  - a. Click **ENTER**
5. You are now ready to begin assignments, assessments, reviews, etc. as assigned by your math teacher.
